W. S. S. Drive Begins In Morgan County Today

EVERY PERSON IN AMERICA TO PLEDGE TWENTY DOLLARS IN THRIFT STAMPS

CAMPAIGN TO SECURE TWO BILLION DOLLARS IS LAUNCHED THROUGHOUT THE UNITED STATES.

21 Captains Go Out

COUNTY DIRECTOR CUNNINGHAM MARSHALS HIS FORCES FOR STRENUOUS WEEK—VANDERLIP WIRE CONFIDENCE.

A drive that is expected to roll up \$2,000,000,000 in W. S. S. pledges is being made this week throughout the United States. Every man, woman and child is expected during the week to promise to buy \$20 worth of savings stamps prior to January 1, in order that the financial powers that are directing the war may be able to know just where they are "at," and that the government may lay out a definite financial program.

In Morgan county, under the direction of J. W. Cunningham, thrift director, an energetic canvass was launched today that will continue all week. On June 28, which is "Thrift day," a special effort will be made. Twenty-one captains are at the head of the teams that will go into every precinct and every home. Pretty girls will be stationed at W. S. S. booths in down-town stores. In fact, nothing will be left undone to bring the county "over the top."

The quota for Decatur is said to be \$51,000, and that for Albany about \$100,000. The total for the county has not been announced.

A Good Investment. War Savings Stamps are considered an especially good investment. They bear a good rate of interest, mature in 1823 and are redeemed by the federal treasury on demand, only a short notice being required.

Director Cunningham has received the following telegram from Frank A. Vanderlip, national thrift director: Washington, D. C. June 23, 1918. J. W. Cunningham, Decatur, Ala. As county chairman of War savings you are expected to win success in the June campaign just as we expect our boys in France to win victory in the war. One hundred per cent. Americanism in your county should mean nothing less than one hundred per cent. pledged war savings. I am confident you will succeed.

F. A. VANDERLIP.

STILL RAIDED AND TWO MEN ARRESTED

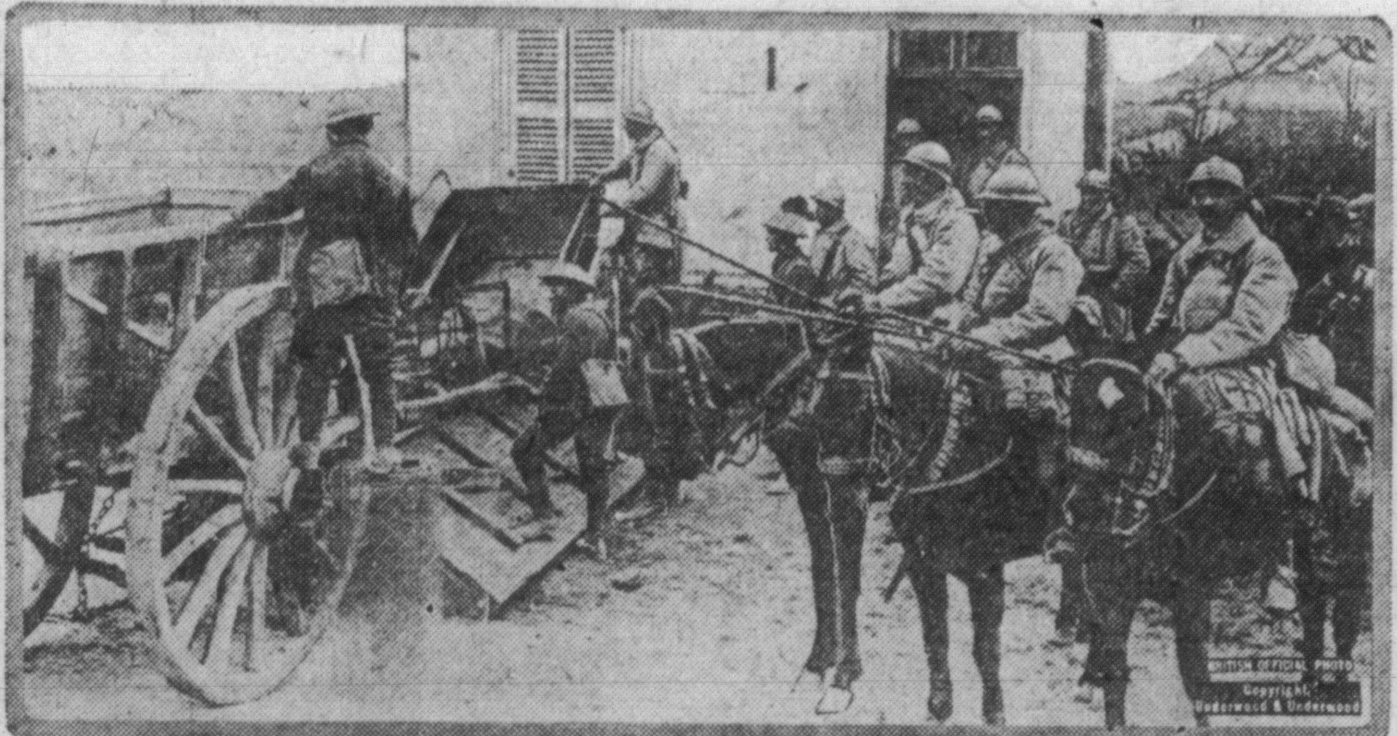

SHERIFF AND POSSE MAKE A GOOD HAUL NEAR MARSHALL COUNTY LINE.

Sheriff Forman, Deputy Sheriff C. S. Jennings and L. C. Dogwell, of the U. S. secret service, raided a still Saturday afternoon near the Marshall county line, capturing a fully equipped plant, several hundred gallons of "beer," six gallons of whiskey and two men named McClure. The men were turned over to U. S. revenue officers. The sheriff is hot on the trail of the wild-catters and during the past few weeks has made a number of successful raids.

SAMMIES ARE BETTING THAT THEY END WORLD WAR BY CHRISTMAS

PRIVATE ANDREWS SAYS THE BOYS ABROAD ARE IN HIGH SPIRITS AND SUPREMELY CONFIDENT.

"The Sammies are betting money that they will win the war by Christmas."

This is the statement of Private John M. Andrews, of Company M, 167th Regiment (Fourth Alabama), Rainbow Division, who spent the week-end in the Twin Cities. Private Andrews was sent home some weeks ago to work in the interest of the Third Liberty Loan and is now on his way back to his company. His optimistic statement is regarded to the way the boys in the trenches are wagering their money is an index of the high morale which he says exists in the American armies overseas.

"The soldier boys are not a bit worried about the outcome of the war," Private Andrews stated. "They are all eager to get into the thick of the fray and get through with it. That is the majority of them. We have 17 Indians in our company who probably don't care to hurry it up—they are top fond of fighting."

Get Off Lucky. "The Alabama boys have been very fortunate in the way of casualties so far," said the soldier. "They seem to be under some lucky star. Very few of them have been killed and only a few have died from disease. Company M had lost two men by illness at the time I left for the states." Private Andrews has himself been "grassed" by the Huns, but shows no ill-effects.

"Do the soldiers enjoy letters from home?" he was asked. "You bet they do—more than any other thing. If the people back home knew how much these letters are appreciated they would all write. I wish I could get ten letters a day."

The American soldiers are well cared for, Mr. Andrews stated. The officers are billeted in French homes and sleep in high poster beds. The privates sleep in hay barns largely, which Mr. Andrews said was preferable to eiderdown. The men serve ten days in the front line trenches, ten days in the second line and ten days in the third line, then start all over again.

Private Andrews described the remarkable hike made by the Fourth Alabama some months ago, when they made a distance of 80 miles over a hard French road, which was sprinkled with American blood from the blistered feet of the men who were in heavy marching order and carried from 75 to 80 pounds weight. PURCHASE OF THRIFT STAMPS IS URGED BY LOCAL PASTORS

PULPIT APPEALS TO PEWS TO BUY W. S. S. AND AID GOVERNMENT.

Without exception the pastors of Decatur and Albany gave sympathetic attention yesterday to the need of a big concentrated effort of all in the matter of purchasing Thrift Stamps this week for the purpose of financing the war.

Father J. M. Sheridan, of St. Ann's Catholic church said to his congregation that the matter of purchasing the stamps was of paramount importance; that the denominations of the stamps were so low as to be within the reach of all, and that every child could become a buyer of them.

Father Sheridan insisted that everything possible should be done at once, and cheerfully, to win the war, and that there could be no doubt as to the outcome.

Rev. W. N. Sholl, of the First Presbyterian church of Decatur, stated to his congregation that his wishes about the war were so well known that it was unnecessary for him to enlarge on the necessity of purchasing Thrift Stamps. He said that we are in a righteous war and that success must attend our efforts; but that to attain such success promptly all Americans should pool their resources into such a big sum as to make the destruction of the Kaiser swift and sure.

Rev. J. H. Heiserman, pastor of the Lutheran church, in the course of his morning announcements called the attention of his congregation to the necessity for the buying of Thrift Stamps.

Rev. M. M. Crow, of the Westside Presbyterian church, preached in the morning on the "Sovereignty of God." This preacher said that the German Kaiser had sought to usurp divine sovereignty—that the Kaiser ruled over his slave-subjects with an iron hand, allowing them no say in the government, a thing which the speaker declared was directly antagonistic to God's plans for the race. Mr. Crow urged that all purchase as many Thrift Stamps as possible.

CENTRAL METHODIST.

At the Central Methodist Rev. J. C. Persinger spoke of the campaign this week. He said: "We are getting to where we hardly feel natural now without a campaign of some kind on, but one of the gratifying things is the splendid way in which our people are responding to all the calls of the government."

"The campaign for this week is for the sale of War Savings Stamps. The government and the men who have worked out the plans of financing this war have shown great wisdom in that they have put the plan on a basis to reach everybody and give all an opportunity to have a part. We have had the three Liberty loan issues, but there were people not able to buy even one bond, so now here is the Thrift stamp and War Savings stamp, which puts it in the reach of all, for you can buy a stamp at a time costing 25 cents. Then again these small denominations are not only to give a chance but to protect the poor, for if one should become hard pressed they can be cashed at the postoffice at any time. Let every boy and girl do his and her best."

SOUTHSIDE BAPTIST.

Rev. L. L. Hearn said: "In compliance with the request of the President of the United States, may every man, woman and child pledge themselves to save constantly and to buy regularly the securities, and the government says, 'May there be none unenlisted on June the 28th.'"

"It is very necessary that systematic methods of economy be carried out by our people. Spasmodic and periodic saving will not fulfill the demands upon us. We must give our men in arms all the strength and support possible. All our energies and resources should be devoted to the winning of the war, and to do this we (Continued on Page Three.)

TERRIFIED HORDES OF AUSTRIA ARE SLAIN BY COUNTLESS THOUSANDS

ESTIMATED THAT NEARLY QUARTER MILLION MEN HAVE BEEN KILLED, WOUNDED OR CAPTURED

INVADERS DRIVEN INTO THE RIVER

All Territory Occupied In the Early Days of the Drive Has Been Reclaimed.

(International News Service.)

Washington, June 24.—The Italians are on the offensive all along the Austrian front and have taken 45,000 prisoners and a large quantity of booty, according to advices reaching officials here. American airmen are co-operating with the advancing Italians.

Reports coming in today emphasized the magnitude of the Italian victory on the Piave river and the extent of the rout inflicted upon the Austro-Hungarians. In addition to the heavy losses caused by the Italian fire and the thousands lost in prisoners and wounded, great numbers must have been drowned by being driven into the flooded Piave river. Pursued relentlessly by the Italian soldiers, whose enthusiasm has been aroused to the highest pitch, the decimated Austro-Hungarian legions fled to the eastern bank of the stream. In the meantime the Italian engineers threw bridges across the river and the cavalry kept up the pursuit. The retreat was carried out over the 40-mile Montello front.

Emperor Charles, who had gone to the front in the hope that his presence would hearten his soldiers, has returned to Vienna leaving behind him his defeated army.

All of Europe today rang with the praise of the Italian soldiers and the Franco-British soldiers that fought with them in stemming Austria's supreme effort of the war. The flower of the Austrian army was sent against the Italians and every available gun was massed on the front from the Asiago plateau to the sea. The Austrian's losses are estimated as high as 200,000 in killed, wounded and missing.

Italian troops have been playing a prominent part in the fighting on the western front in France also.

AUSTRO-HUNGARIAN CABINETS HAVE RESIGNED

London, June 24.—The Hungarian cabinet headed by Premier Wekerle is planning to resign, said a dispatch from Budapest. Earlier advices stated that the Austrian cabinet headed by Premier Von Seydeler had already resigned.

AUSTRIANS RETREATING ACROSS PIAVE IN DISORDER.

(International News Service.)

Rome, June 24.—The Austro-Hungarian offensive which opened on the Italian front ten days ago has not only broken down completely everywhere, but has been turned into a rout by powerful counter blows of the allies. It is officially announced.

All the way from the sector of Montello to the Adriatic Sea the Austrians have been defeated and overwhelmed and are retreating across the Piave river in disorder.

Ten more enemy planes have been brought down. Since June 15 the Italians have destroyed 95 hostile planes and six balloons.

INES ARE SAME AS WERE BEFORE DRIVE LAUNCHED.

(International News Service.)

Rome, June 24.—The military situation on the Piave between Montello and Zenson loop has been completely restored as the result of the great Italian victory over the Austro-Hungarians. The lines now run as they were before the drive began ten days ago. This city is covered with flags and crowds through the street singing. Thousands of Austrian prisoners were captured when the Austrian divisions were thrown back across the Piave. The Italian soldiers are on fire with enthusiasm.

AMERICAN TROOPS PRAISED IN CITATION

(International News Service.)

With the American Army in France, June 23.—"The repulse of the Germans in the recent fighting at Sivray by Americans shows clearly what can be expected from these magnificent troops when in its turn the entente assumes the offensive," said a citation in an order issued by a French army corps commander today congratulating the American forces. Congratulations also came from the French army commander.

AUSTRIAN EMPEROR HAS RETURNED TO VIENNA

Helmet Interesting.
The steel helmet worn by the soldier attracted much attention locally. It is of the type worn while in the trenches and weighs a great deal more than the ordinary man's sky piece. This helmet as well as the gas mask accompanying it were placed on the head of General Pershing's small son, the surviving member of his family, last week while Private Andrews was in Nebraska.

Private Andrews will go from here to the coast, and may embark at an early date for France.

The freight rate on coal from Birmingham to the Twin Cities will advance tomorrow from 75 cents to \$1.55 per ton, while the rate on coal from Kentucky points will advance from \$1.55 to \$2.60. The increase in freight charges was recently authorized by the national railway administration.

It is expected that in view of the higher haulage charged coal will soon be quoted locally at \$8 per ton.

Voice Of The People

SQUIRREL MURDER.

Albany-Decatur Daily:

For several years past numerous citizens of Decatur have fostered the idea of populating the city with the happy and beautiful little squirrel, some going to considerable expense in building them cozy and comfortable homes and otherwise treating them kindly and humanely, so that by now they have become quite tame and civilized little neighbors. I enjoy the bright and happy little fellows and have contributed very much toward their happiness by giving them nuts and other delicacies.

But a few days ago I saw, to my utter amazement and horror, a great big man, a business man of our city, attended by his wife, enticing one of these beautiful little pets from a tree. The little fellow cautiously but confidently came nearer and nearer, for a supposed delicious nut, until he got up to within a few inches of his head, when he was cruelly and most foully murdered. For a thoughtless and an immature boy to have done that might be pardonable, but for a grown man, and from all outward appearances, a manly man, it appeared to me brutal, uncivilized and heartless.

Is there no remedy for such Kaiserism as this?

S. D. ARMSTRONG.

THE "ETIQUETTE" OF OUR BOYS

"OVER THERE."

A recent news item states that several captured Americans were shot by the Germans as they were being marched to camp. Their captors complained that they did not understand the "etiquette of war."

Let us thank God for their lack of understanding. Theirs the etiquette that preferred certain death rather than to tamely submit to the horrible fate in store for them at the German camp; theirs the etiquette that sends them "over the top" whistling Yankee Doodle; theirs the etiquette that causes them to gladly face the bullets that this war-mad world may some day be a safe place for you and me; theirs the etiquette that inspires them to write home on Mother's Day as one of our brave boys over there (Claude Vandiver) wrote to his mother, "I am glad that I still have a mother to write to, and that I am over here to do a man's part to make this a safe world for you and all other mothers."

The Huns have abundant cause for thankfulness rather than complaint, as to the etiquette of the "Sammies" for their's is not the etiquette that carries babies around on their bayonets; their's is not the etiquette that outrages innocent women and girls; their's is not the etiquette that sends to a watery grave a shipload of women and children; not their's the etiquette that looks with approval upon polygamy; not their's the etiquette that feeds their prisoners on acorn coffee for breakfast, soup made of rotten potatoes for dinner, and raw fish for supper, and sometimes, as a special treat, a nauseating blood-pudding that is a favorite dish with "Fritzie," but that does not make a hit with "Sammy."

Nor does their etiquette permit them to tie a prisoner to a punishment post for forty-eight hours without food or drink, and then deliberately stand in front of him and sip a bowl of soup; not their's the etiquette that practices torture that would make a savage green with envy, and that causes Satan to be willing to abdicate in favor of the Kaiser and his minions.

God be praised that the etiquette of our boys was taught to them at their mothers' knees; taught to them under the folds of the Stars and Stripes; taught to them in the grandest and best and most glorious nation on the globe.

Could the Kaiser only know how many prayers are ascending to God from the lips and hearts of the mothers who are giving their all when they send their khaki-clad boys "over there," and could only realize that as long as there is a man left to go, and a brave woman left to bid him God-speed, the fight for freedom and democracy will go on, perhaps the madness

which has fired his brain with an unholy ambition would depart from him. When the cruel Hun Sees Johnny and his gun, He had better make his peace with "Gott."

For our "Sammies" think its fun To see the "Fritzie" run, And for old Kaiser Bill will make it hot.

Then let us save the wheat, The sugar and the meat, And send them to our soldiers tried and true,

For they'll surely win the game, And bring our nation fame, While they fight the cruel Hun for me and you.

And when old Kaiser Bill Has to take his bitter pill, And Johnny drops his knapsack and his gun,

Then the good old U. S. A. Will make the Kaiser pay For all the cruel deeds that he has done.

OUTCOME OF THE WAR IS DETERMINED, SAYS VOLIVA

(International News Service)
Chicago, June 24.—The marines may win—or lose; the Germans may press offensives or retire; success for the Allies may seem, at times, to hang in the balance—but it makes no difference.

For the outcome of the war is already determined, and Voliva—Overseer Wilbur Glenn Voliva, of Zion City—conversing with prophecy, tells us all about it.

"The territory that was the old Roman Empire will be restored and ruled by a federation of ten allied nations," he says. "Belgium will have to be given up; all of Germany south of the Rhine and all of Austria south of the Danube, Turkey and Bulgaria will have to be split from Germany."

"Russia, like Germany, is outside the Roman Empire and therefore must sever relations with the Allies."

PASTORS BECOME MISTERS WHEN TALKING PROHIBITION

(International News Service)
Springfield, Ill., June 24.—"Reverend" attached to the cognomen of preachers tends to prejudice "wet" and "dry" votes.

Therefore when the ministers of Illinois begin their drive against liquor this month they will be known as plain "mistrs."

The decision to eliminate the theological reference was reached at a recent meeting of the Anti-Saloon league. The vote was unanimous, it being agreed the word "reverend" was proof positive the campaigner was "dry."

CONSTIPATION

And Sour Stomach Caused This Lady Much Suffering. Black-Draught Relieved.

Meadorsville, Ky.—Mrs. Pearl Patrick, of this place, writes: "I was very constipated. I had sour stomach and was so uncomfortable. I went to the doctor. He gave me some pills. They weakened me and seemed to tear up my digestion. They would gripe me and afterwards it seemed I was more constipated than before."

I heard of Black-Draught and decided to try it. I found it just what I needed. It was an easy laxative, and not bad to swallow. My digestion soon improved. I got well of the sour stomach, my bowels soon seemed normal, no more griping, and I would take a dose now and then, and was in good shape.

I cannot say too much for Black-Draught for it is the finest laxative one can use. "Theodore's Black-Draught has for many years been found of great value in the treatment of stomach, liver and bowel troubles. Easy to take, gentle and reliable in its action, leaving no bad after-effects, it has won the praise of thousands of people who have used it."

MISS SUCKFULL IS SERIOUSLY INJURED

KNOCKED DOWN BY AN AUTO TRUCK AND TWO RIBS BROKEN.

Miss Agnes Suckfull, 1210 Fourth avenue south, who was run down Saturday afternoon about 3:30 o'clock by a Ford delivery truck owned by J. D. Thomas and driven by O. T. Carden, was resting well today. She sustained two broken ribs and was perhaps internally injured.

The accident occurred on Fourth avenue. At the time, Miss Suckfull had crossed from her residence to inspect a load of wood which she contemplated buying. Three automobiles, the Austinville bus and a street car were passing, and in backing out from in front of one of the autos, Miss

Suckfull was knocked down by the truck, her presence not having been observed by the driver. The machine was stopped almost instantly, only the front wheel passing over the form of the prostrate woman. She was picked up and removed to her home, where she was attended by Dr. M. W. Murray, who stated today that her condition was as good as could be expected. He said that the patient was seriously injured.

Miss Suckfull has operated a boarding house here for a number of years and has many friends in the Twin Cities who hope for her early and complete recovery. Mr. Carden expressed much regret at the accident, which he stated was unavoidable.

Washington, June 24.—A most vigorous campaign against profiteering in food stuffs is about to be launched throughout the country, officials of the food administration announced today. The Perfect Baby Of The Future

A Simple Method That Has a Wonderful Influence upon The Future Infant.

Before the arrival of baby knowing women for over half a century have used with regularity the time-honored preparation, Mother's Friend.

Here is a most wonderful application for the abdomen and breasts. It penetrates the muscles, ligaments and tissues, rendering them pliant to readily yield to nature's demand for expansion.

By its use the anxious weeks of pregnancy are made comfortable. The usual wrenching strain, bearing-down and stretching pains are counteracted. The system is prepared for the coming event, and its use brings rest, repose and happy anticipation.

By the regular use of Mother's Friend during the period the muscles expand easier when baby arrives, and naturally the pain and danger at the crisis is less.

Mother's Friend is prepared after the formula of a noted family doctor by the Bradford Regulator Co., Lamar Bldg., Atlanta, Ga. It is for external use only; is absolutely and entirely safe and wonderfully effective. Write them for their instructive and interesting "Motherhood Book."

There is a wealth of instruction and comfort to be derived in reading this little book. It is plainly written just what every woman wants to know and will be a splendid little text book of guidance, not only for yourself but will make you helpful to others, and in the meantime obtain a bottle of Mother's Friend from the druggist, and thus fortify yourself against pain and discomfort.

Prominent Kentucky Farmer, about to lose a Leg Cured after 15 Years of Suffering

TO WHOM IT MAY CONCERN:—

This is to certify that I, G. T. French, was for fifteen years almost an invalid caused from a nail snag on the shin which developed into a shin ulcer and was treated for years by some of the best physicians of West Kentucky and was given up to be a hopeless case, and I was advised to have my leg taken off. But by Mr. Vance, of Maxon's Mill, Ky., was advised to try a bottle of Duncan's Pi-no-zone, and by the use of the one bottle was to my surprise positively cured of the dreaded ulcer and will be glad to recommend this wonderful healing oil of Pi-no-zone to anyone who could possibly be of such like as I was the victim of.

Yours respectfully,
G. T. FRENCH.

LUM WARD HELD FOR NELSON'S DEATH STINSON RELEASED

TURNERY TESTIFIED THAT MONTGOMERY AND WARD DID THE KILLING.

Lum Ward, charged with the murder of "Red" Nelson, whose decomposed body was recently found at an isolated spot about 15 miles out from Hartselle, was held to the grand jury without bail at his preliminary hearing today before Judge F. M. Hamilton of the Albany inferior court, and Judge Lindsey of Hartselle. Will Stinson, arrested in connection with the killing, was released.

The principal witness at the hearing was Lem Turney, who had also been arrested in connection with the crime, and who was remanded to jail as a material witness.

Turney told the court that Nelson, the murdered man, and a number of others had engaged in a rough and tumble fight, during which Nelson had struck Leldon Ward, son of the defendant, with his fist, knocking him down twice, and then striking him with his pistol.

The witness said that he did not witness the death of Nelson, but that just a moment after it occurred Ward ran past him with a bloody knife in his hand. He stated that he heard two shots fired, which he believed were from the pistol of Will Montgomery, for whose arrest a reward of \$100 has been offered.

After Nelson was dead, Turney testified that he was commanded by Ward and Montgomery to help dispose of the body, and that fearing to refuse he had aided in removing the dead man to a bluff, where the lifeless body was thrown over on the rocks below. He stated that Nelson had been wounded in the neck with a knife and had also been shot.

The case was called this morning and was concluded shortly after 2 o'clock. The defense offered no witnesses. Turney was calm under a rigid examination, during which he did not vary from his story.

OVER THE TOP GIRLS.

At the Masinoc Tonight and All Week.
Ladies Free Tonight.

Over the Top Girls, a high-class miniature musical comedy company opens tonight for a week's engagement, changing plays nightly, and in addition to the regular picture program the company will present a musical play each night of the better class. The company comes highly recommended from cities visited and the management is loud in its praise, stating this is the best tabloid organization that has played the south this season. The company carries its own special scenery and wear some beautiful gowns.

Miss Elsie Springer is the bright, particular star and with her are such talented artists as Miss Francis Keller, a clever little lady who plays the violin artistically and dances at the same time, an absolutely novelty feature. Miss Springer will do some extra clever footwork. She was seen here three years ago with this same organization.

Johnson and Johnson, whirlwind dancers, are the important feature.

Tonight is, "Bringing Up Father," and tomorrow, matinee and night "Hotel Reckless."

Dr. Neill Buys Prize Chickens

Dr. L. A. Neill purchased the pair of prize chickens donated to the illiteracy fund by Mrs. Florence Forbes at the auction held Saturday night on Second avenue. He carried the birds home for \$8. Cohen, who paid \$10, and the third, W. R. Shelton, who paid \$7.

Two crates of peaches were bought by T. A. Bowles and Mayor E. C. Payne, each paying \$2, while a dish of fried chicken was sold to A. D. Cohen for \$2.

With Mrs. W. E. Todd as chairman a patriotic open-air program was given. Miss Marie Kimbrough sang "Can the Kaiser." The community singers sang "America" and other patriotic airs. Mrs. W. E. Band in Prospect For July Fourth

Morrill Confers With Military Authorities at Ft. Oglethorpe.

According to the National Defense committee, plans are being rapidly perfected for the Fourth of July celebration to be held at the old rail factory grove on Riverside avenue.

H. L. Morrill has returned from a trip to Fort Oglethorpe, Ga., where he went to confer with military authorities there on the matter of securing a military band for the celebration. Mr. Morrill stated that the authorities promised to wire him Wednesday.

Another name has been added to the general committee, that of A. J. Peterson, who will represent the Danes. It is not known whether Mr. Peterson was born in Denmark or America, but he is of Danish descent. It is hoped that others of foreign descent will send in their names for this service. It is not necessary to have been born abroad to represent a foreign nationality. In the case of Isaac Scheer, who was named for the Teutonic race, Mr. Scheer was not born abroad, but first saw the light in Old Kentucky, many years ago. A number of prominent men of French descent have been suggested to represent bonnie France, our dearest ally, but no selection has yet been made.
